## AUTOMOTIVE

### 15th Anniversary Celebration!

October marks our 15-year anniversary and we're celebrating with a Yeti Cooler Giveaway.

Alex

Brad

Zach

We are very proud to announce that Zach has joined Brad as an ASE Certified Master Technician. His commitment to continued training and self-improvement is very commendable. We are very happy that he is part of the Waterloo Automotive Team. Alex joined the team this summer and has been a great addition. After graduating from WyoTech with his Automotive Technology degree he is now beginning the ASE certification process.

### Thinking of buying a used car?

We offer a PrePurchase inspection that has proven to be very valuable in the decision process before writing that check! It takes about an hour to do our tablet-based inspection and can be a great bargaining tool as it contains pictures and descriptions of concerns and can easily be texted or emailed.

### Yeti Drawing!

From now until September 28th, you can come in, fill out a card and enter our drawing for a brand-new Yeti Roadie 20 Cooler in Desert Tan. Perfect size for a Friday night bonfire or a day in the woods or duck blind. Drawing will be held on 10/1/19. One entry per person please.
