SUMMER '20

Summer's here, but life sure is different in these crazy times. We've made many changes to keep you safe while we service your vehicle for summer driving, including no contact vehicle pick and delivery, no contact loaner vehicles and emailed invoices. We are also providing complimentary Ozone Purification on every vehicle we service, a \$59.00 value! This kills bacteria, viruses and mold spores inside your vehicle and ventilation system.

FREE SECOND OPINION

**Facing a big repair bill?
Get a second opinion free!**

It's always smart to be careful about repair costs. Our ASE Certified technicians can offer a second opinion in most cases at no charge. Just call or email Brian or Josh and put your mind at ease.
